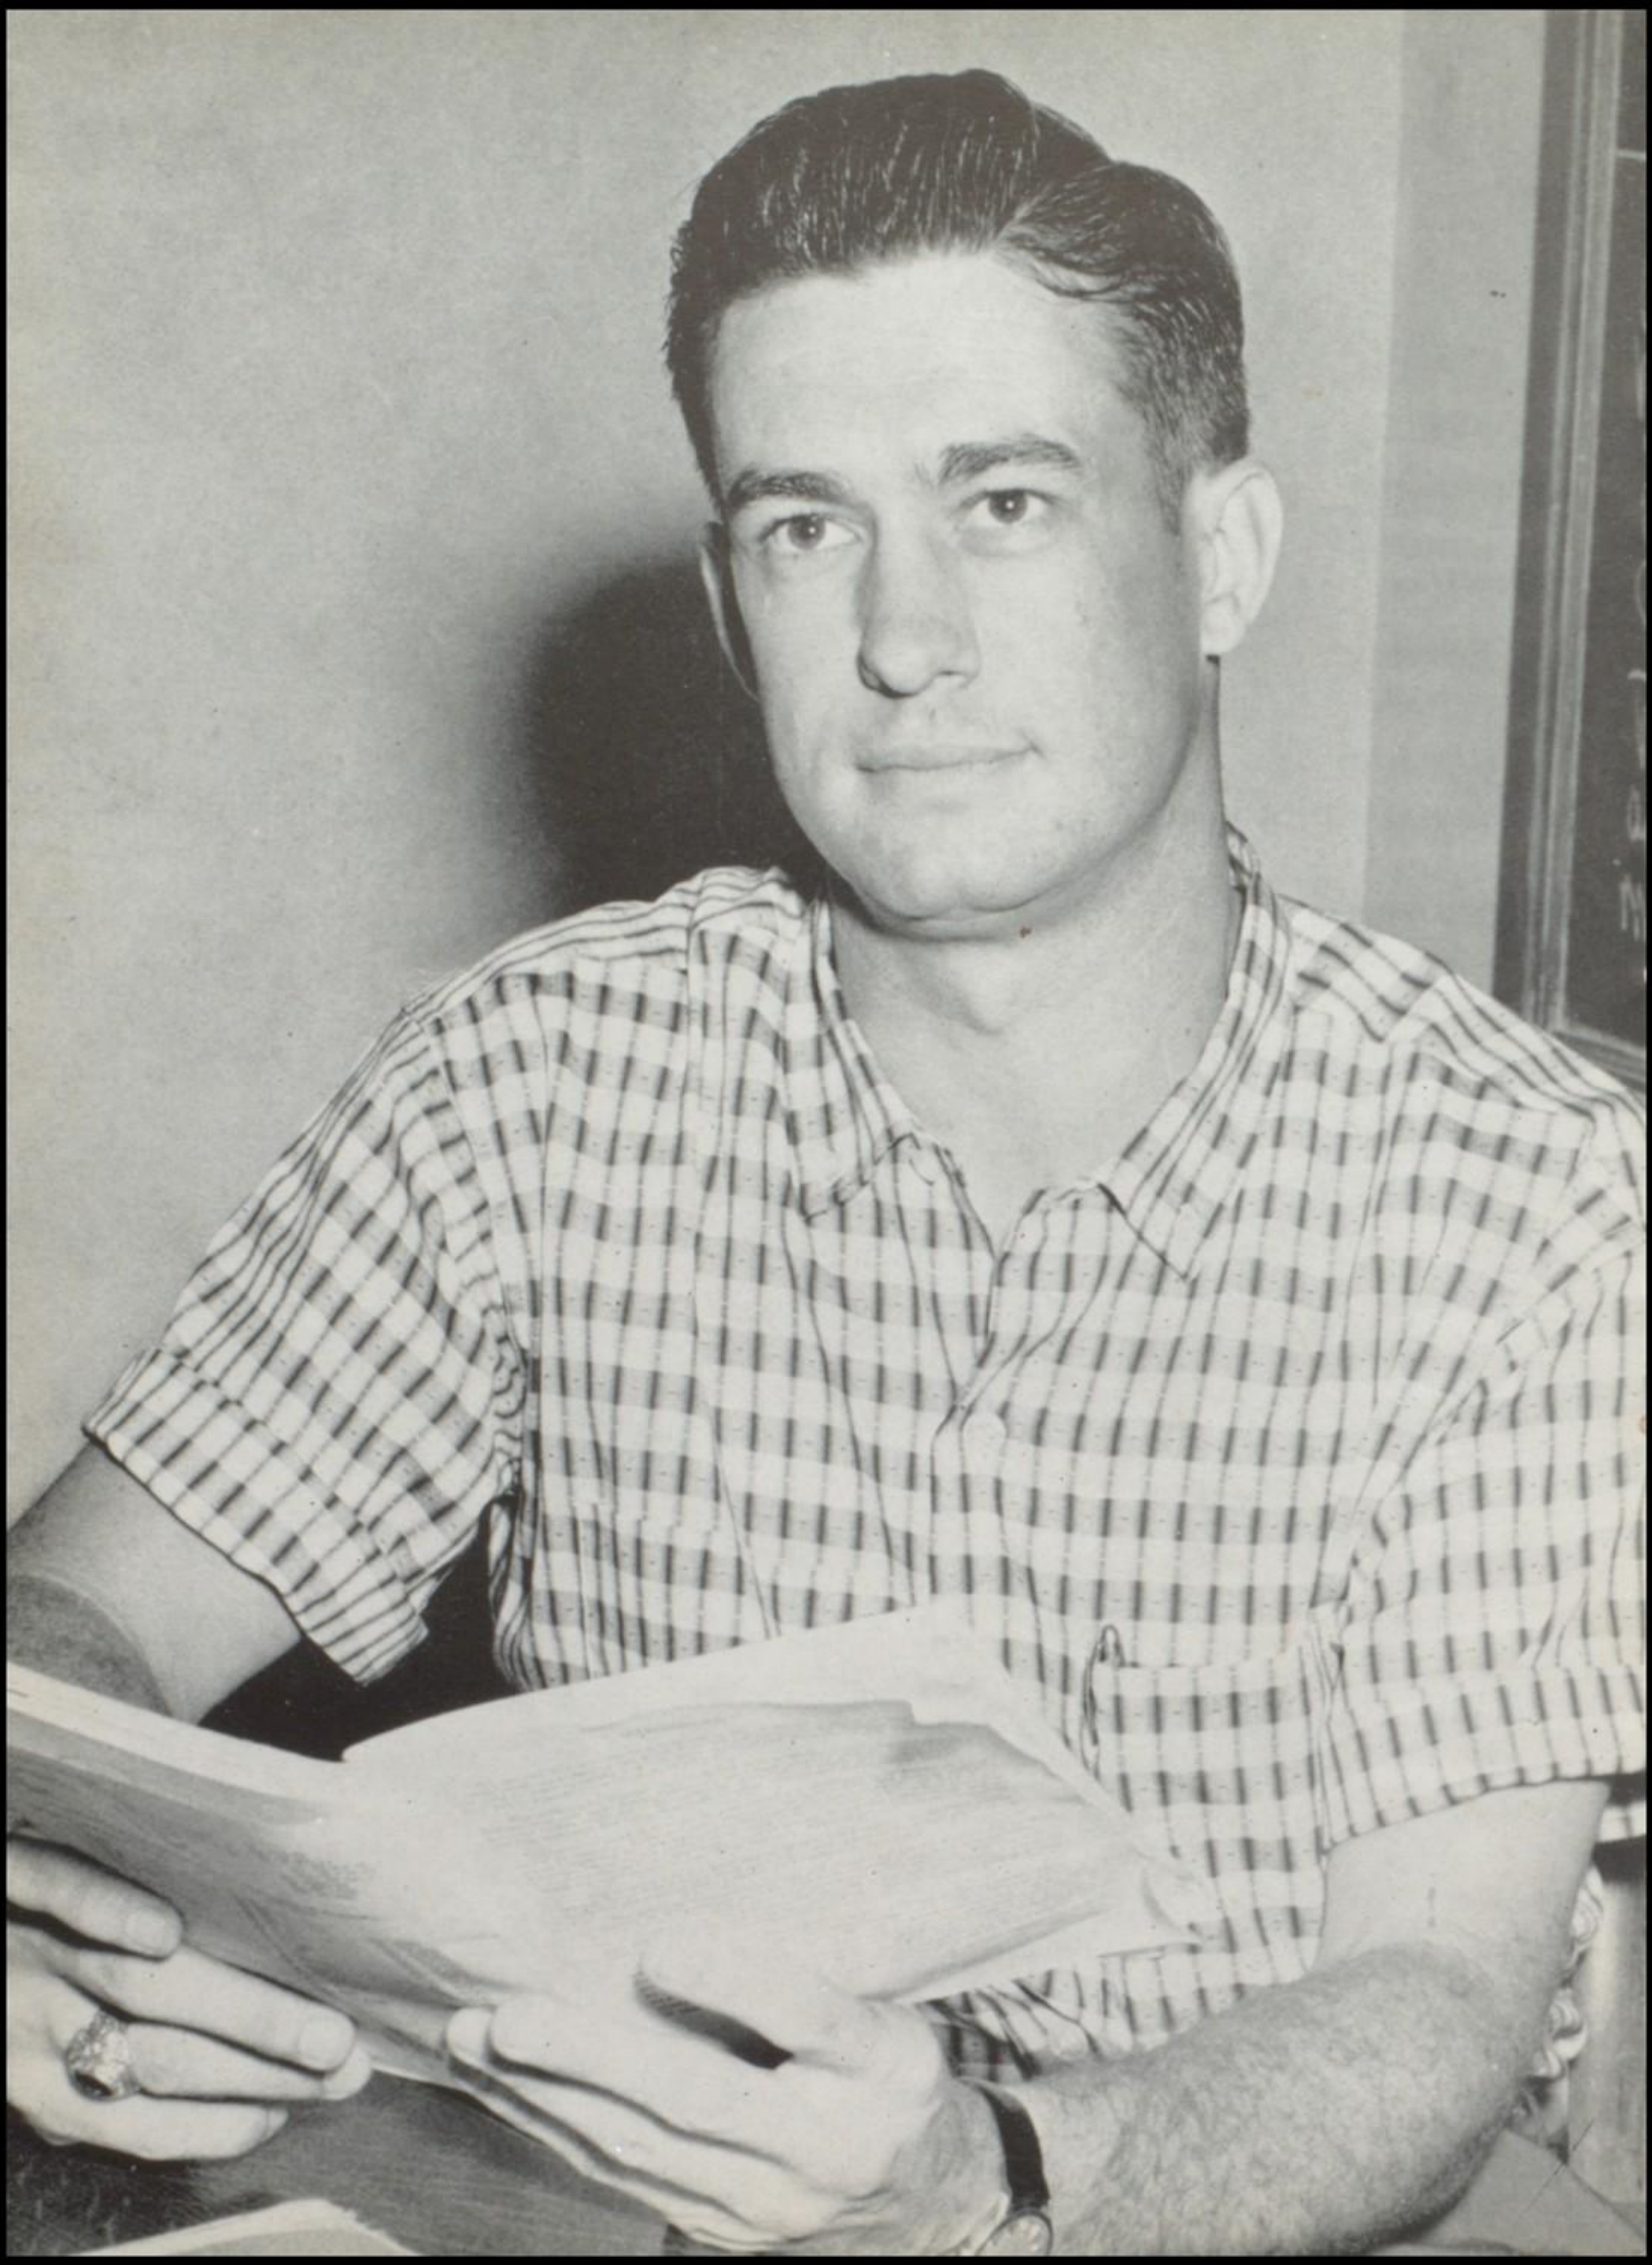
"IN OUR HEARTS ENSHRINED FOREVER"



To the person who has constantly been an inspiration and a "guiding light" at Parrish, we would like to dedicate this annual—Coach Jack Brown.

Known as "Tiger" to his P. H. S. friends, he has become well-known for his friendly personality and winning smile. He has led the athletic department on to continuous victories and given good examples of sportsmanship to us all.

Coach Brown will certainly be missed at Parrish in the coming years.

national honor society

The National Honor Society, composed of the top fifteen per cent of the class, has become one of the most active organizations of the school. Membership is based on Scholarship, Character, Leadership, and Service, with twice as much emphasis placed on Scholarship as the other three.

The Society started the year with election of officers: Jo Ann Chandler, President; Mabel Shuptrine, Vice-President; Tommie Jean Peacock, Secretary; Hazel Wilkinson, Treasurer; Ann Risher, Chaplain; Lynn Palmer, Parliamentarian; and Hanna Berger, Reporter. Projects included a very successful book sale, ribbon pinning of honor role students, two impressive tappings, and the gift of a dictionary stand to an English classroom. For the first time an honorary member, Ulla Bengtsson, was admitted. The Honor Society presented her with the '59 class ring. A sizeable gift of $175 was given to the school for the purchase of new teaching equipment.

The '59 National Honor Society closed the year with the distinction of being the first to wear gold tassels on their caps at graduation.

The Tatler Staff, publishing nine issues this year, started their season with a Banquet at the Graystone. Many new articles were added from time to time, including "the Shadow", interviews of ten college freshmen, and student essays. Pages were increased at first by three mimeographed pages, and later by ten. The Tatler sent questionnaire to all Alabama high schools to find ways to improve the paper. As a result of this research, qualifications were set up for future staff members and the Tatler became a member of the "Alabama High School Press Association." The ninth issue on 12" x 18" glossy finished paper, published the Senior's ambitions and their future plans, and also listed the chosen colleges and their applicants.

An outstanding Student Council, led by President Ed Galt and sponsored by Coach Richardson, had many projects and activities. To start the year off, they operated the used book exchange and sold student directories, car stickers, and car tags. Ed Galt, sometimes substituted by Vice-President Bill Gamble, led all the school assembly programs and pep rallies. The Council conducted all school elections and operated the supply store every day. They supported the Rams by getting a school mascot, named Prince Albert, and held an election changing Tiger Inn to Ram Shack. A school flag was adopted, the plans were made for the purchase of one. Special school events were sponsored by the Student Council, including B. O. P. Week, Homecoming, Twirp Week, and Religious Emphasis Week. Representatives went to Student Council conventions. Of course, the major project for the year was Ulla Bengtsson.

F T A

The Future Teachers of America, under the sponsorship of Miss Landon Hall and Mrs. Cecil Jackson, is organized at Parrish to introduce students to the teaching profession. They began a collection of old P. H. S. annuals to be kept in the office. Other projects included an F. T. A. movie shown to the girls, and a field trip to Montevallo.

F B L A

The Future Business Leaders of America consists of all commercial and business students, and is organized to promote our future business leaders. This year the F. B. L. A. sponsored a faculty-student softball game, the profits being used for the purchase of a new machine for the school.

These students have gladly served Mrs. Edwards and the school by giving up their study hall period to work in the library.

OFFICE STAFF

The Office Staff is essential to the smooth running of the school. They deliver messages to the students, run errands, answer the telephone, make out absentee slips, mimeograph papers for teachers, and do general office work. These students devote their study hall period to their office work.

This year the seniors amazed themselves with their magazine sales. Of course this would not have been possible if every member of the class had not worked. Still, these seven high salesmen are to be highly honored for the part they played. While we cannot actually give them a trophy or a plaque in their honor, the Sel-Ala staff feels this is the next best way to recognize them.

GLEE CLUB AND MIXED CHORUS

A busy Glee Club under the directorship of Mrs. Al Ehrensberger presented a beautiful Christmas concert, and in the Spring produced the Musical "Oklahoma" by Rodgers and Hammerstein. The Mixed Chorus represented the Glee Club when they sang for the assemblies and before Civic Clubs. They went to the Troy State District Music Festival and to the University of Alabama State Music Festival. For the first time there were representatives in the Clinic Choir at Troy, and in the All-State Chorus at the University. Soloists also scored high at both Festivals.

The hard-working Parrish band played and marched at all the football games this year, led by drum major John Bush. They looked smart in their new blue and white uniforms, partly financed by their candy sale. They played for the Glee Club's "Oklahoma" and also gave a beautiful Christmas concert. They marched in Governor Patterson's inaugural parade.

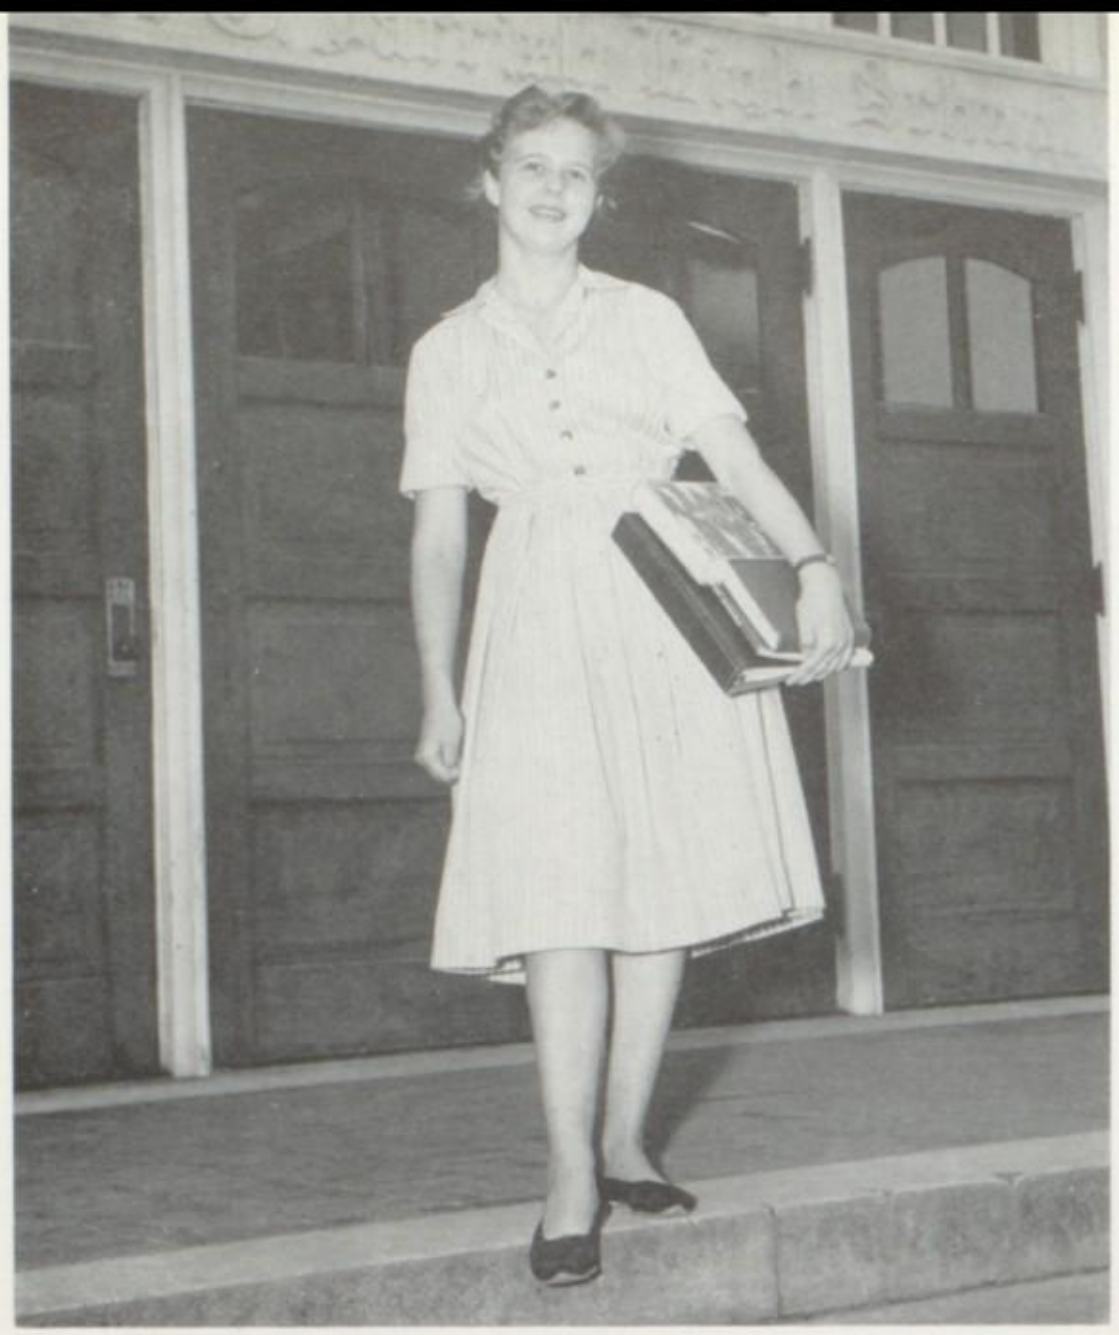
honors

Out of a very outstanding student body, many students have distinguished themselves with scholastic, athletic, and extra-curricula honors.... This section of the Sel-Ala is devoted to those who have achieved these special honors.



ULLA'S ADDRESS
Miss Ulla Bengtsson
Vilhelm Hanseng. 5
Trollhattan, Sweden

Ulla, our Exchange Student from Trollhattan, Sweden, came over to Selma on the American Field Service program. She has been staying with George and "Ma" Carter, her American parents for the year. She proved to her many P. H. S. friends that Swedish teenagers are different from American only in a very few customs. Confused at first by Selma's slang, Ulla didn't understand the meaning of a few of the school yells, as "Bo Bo Skee-Deedle Dottin'." However, she was quick to catch on, and she became an enthusiastic sports fan, supporting the Selma Cloverleafs as well as Parrish athletics. An excellent student, Ulla became Parrish's first honorary member of the National Honor Society. She was also a well-qualified member of the Masque and Gavel Club, for she made many speeches before various Civic Clubs and schools. Parrish High is going to miss Ulla next year, and we hope she will miss Parrish. Going home with a Southern accent, Ulla will give Sweden a big "hey, y'al" from Selma.

Miss Lillie May Caldwell chose the beauties this year. Well qualified for this job, she is one of the three Miss Alabama Judges and goes with Miss Alabama to Atlantic City for the Miss America Contest. She also helped chose The University of Alabama Corolla Beauties. We think our eight beauties are more proof of her excellence in this field. We wish to thank her and give these eight young ladies a well deserved hand.

For the first time this year, the class chose from these eight lovely girls the top beauty and her alternate. We think they also made a very wise choice.

homecoming

Queen Gerry Purvis reigned over her subjects graciously at the 1958-59 Parrish High Homecoming. Her lovely court consisted of Miss Prissy Cooper, Senior Maid; Miss Beverly Breeding, Junior Maid; and Miss Betty Bob Mallory, Sophomore Maid. The festivities began with our annual bonfire and pep rally the night before. At the game Friday night the Parrish Rams ran off with a great victory against Greenville with a score of 33-12. The climax was the Homecoming Dance held at the Country Club and opened by a leadout of the Parrish team and their dates. Queen Gerry was crowned by co-captain Tom Coon.

CLASS NIGHT

This important night, honoring the Seniors, featured the class poem, class song, prophecy, and will. George Voltz, class president, opened the program with a few words about the class. The poem was read by poet Darold Dunlavy. Then each Senior, appropriately dressed, came down through the stars and clouds while prophet Tommie Jean Peacock depicted him in the future. The class assembled on the stage to sing the class song and to hear the will read by class lawyer Dick Morthland. The program closed with the singing of the Alma Mater.

CLASS NIGHT

JUNIOR-SENIOR PROM

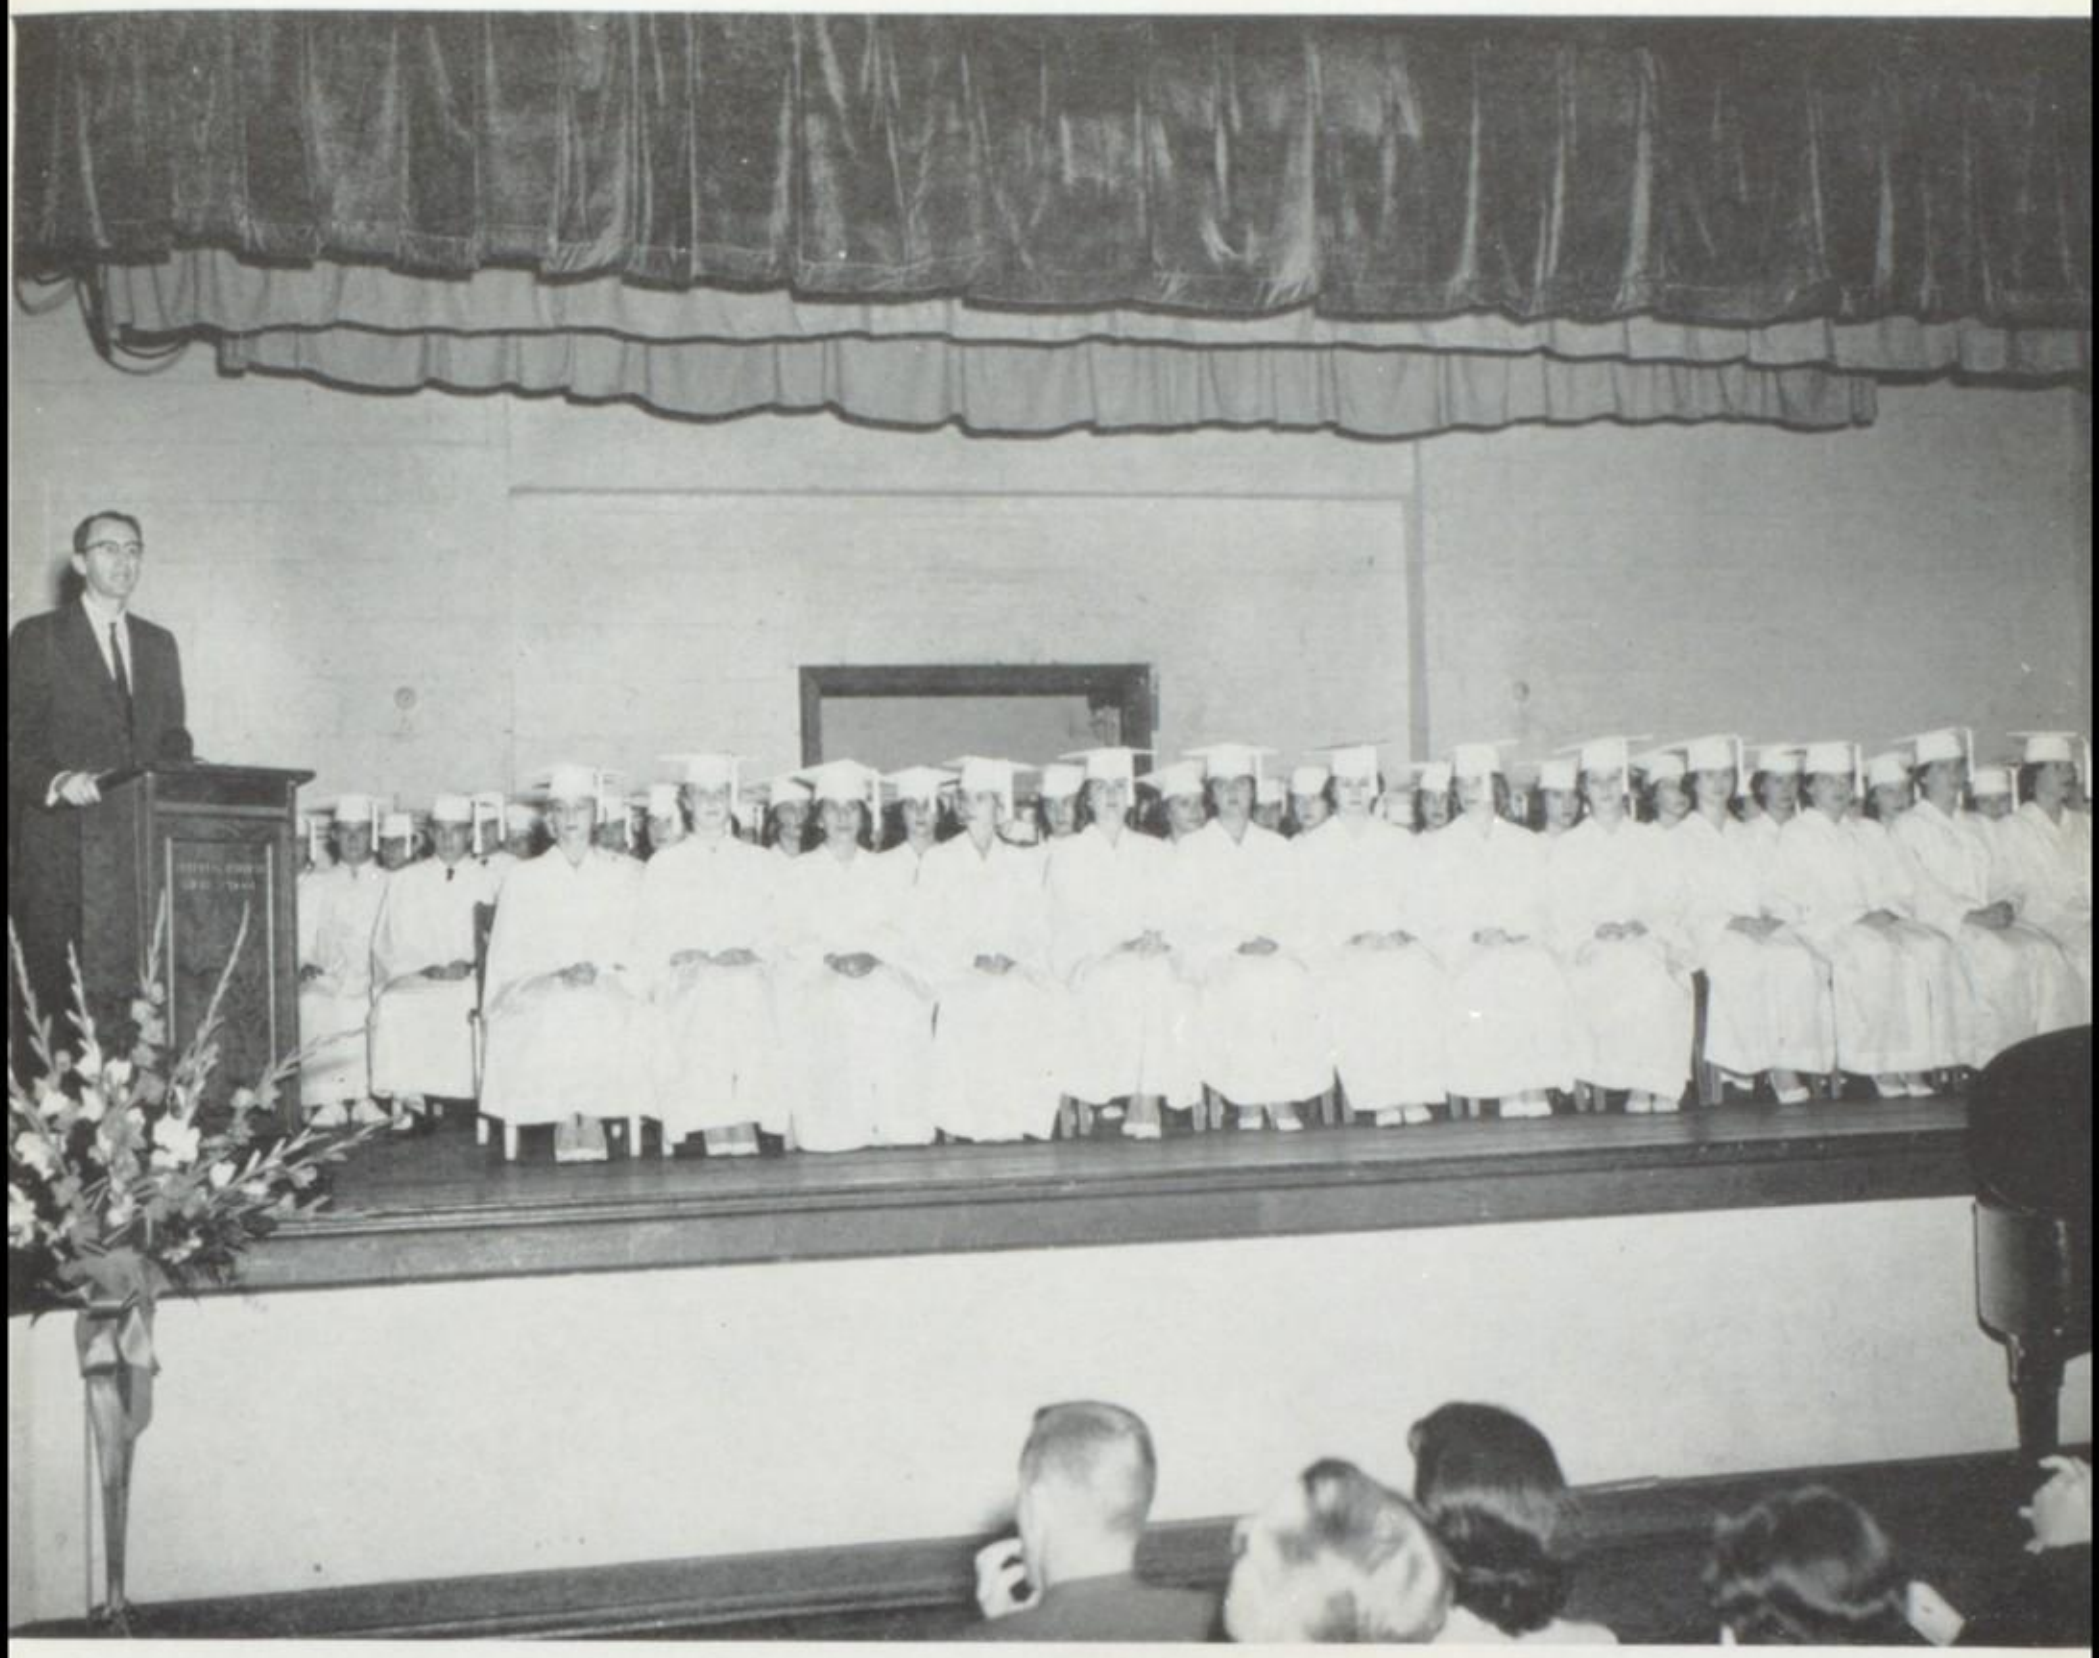
Theme: Out of this World

The Junior-Senior Prom, following Class Night, took the Seniors "Out of this World," with the dance music of the Auburn Knights and a beautifully decorated gym. The Juniors worked for three weeks putting outer space into the gym—blue crepe paper with stars covered the ceiling and walls, and decorations included a space man and a rocket ship. Tables for four were placed on both sides of the dance floor, gayly decorated with an attractive candle centerpiece. Satellites, stars, and planets gave a celestial atmosphere to the dance. The Seniors would like to thank the Juniors for such an enjoyable trip "Out of Space."

BANQUET

BACCALAUREATE

The Baccalaureate Service was given by the Dallas County Christian Ministers Union and held at the First Baptist Church. The sermon was preached by the Rev. W. W. Preston and other parts of the service were conducted by Dr. J. Thad Ellisor, Rev. Virgil Halbig, Rev. Chilton Thorington, and Rev. N. H. McCrummen.



GRADUATION

One hundred and fourteen seniors marched into the Parrish High School Auditorium to "Pomp and Circumstance" to receive their diplomas this June 1st night. The honors awarded at the ceremony included: Lucy Nelson Debate Winner, Joe Williams; Civitan Good Citizenship Awards, Senior George Voltz and Junior Charlie Sins; Quarterback Club Scholarship, Jimmy Hays; and Paul Grist Boy of the Year Trophy, Tom Coon. Mr. Pickard presented the class, and Dr. Rex Morthland awarded the diplomas. Having sung the Alma Mater, the Seniors marched out with their diplomas to the "Triumphal March."

SECOND ROW: Mabel Shuptrine, Robin Baird.

After the graduation exercise, Parrish High School students were royally entertained by the Rebellette Social Club at the Cinderella Ball. This gala affair was held at the Selma Country Club with the dance music furnished by Eddie Stevens and his orchestra. Members of the club, stepping out of the golden coach, were featured in a beautiful leadont on the terrace by the pool. They were escorted by their fathers from the coach, over the ramp, and across the pool to their escorts, with a background of Cinderella medley.

CLASS POEM

We, the class of fifty-nine,
Approach graduation as onward we climb;
We've mixed our work and play,
And hope from our duties we did not stray.
We'll bid adieu to friends and teachers,
And close high school books for more advanced features.
Our high school days have passed by so fast,
And now we leave those experiences in the past.
This, our final year at Parrish High,
Was marked by the first satellite to enter the sky.
Our fine new gym was first put to use,
And the return of the sack dress really cut loose.
We shall never forget Ulla, the exchange student from afar,
Who enlightened our school year like a shining star.
Of our many memories these are just a few,
That in the future, we could but hope to renew.
We aim to leave footprints of good repute,
For all those left to follow suit,
And as we leave our Parrish High,
We predict her colors will always fly.

CLASS PROPHECY

I tossed and turned and turned and tossed,
But couldn't sleep a wink.
I took a dose of Sominex,
And then what do you think?
There must have been some magic in that sleeping pill of mine,
'Cause I foresaw the future of the Class of '59:
The city of Selma had many a fault,
But each one has been corrected by Mayor Ed Galt.
Margaret Culver, pert and pretty,
Is a movie producer in Culver City.
Miss Stella Smith is no longer a Miss.
She's a Mrs. enjoying marital bliss.
Carolyn Piper has realized her dream.
She's the manager of a baseball team.
If your clothes are soiled, don't get upset.
Have them cleaned at Gary Wright's Launderette.
Dannelle Shanahan married a preacher,
And now, of course, she's a Sunday School teacher.
Bill McClinton is a coach of gymnastics,
And some of his stunts are quite fantastic.
Jean Powell is a happy girl.
She graduated and married Earl.
Mr. Billy Hardy, who is not a quitter,
Is breaking the record as a flag pole sitter.
The football team will be number one soon.
They're working hard under Coach Tom Coon.
Charlie Maples works with Tom Coon, oh yes,
He's the assistant coach at P. H. S.
Elaine Melton runs a school for tots.
I believe she likes it lots
Leslie Robinson's name is on the marquee these days.
He's been starring in some of Shakespeare's best plays.
Want a good book to read? Maybe two?
The librarian can help you; she's Helen Pugh.
The laziest man you will meet is Jim Minter.
He does nothing but hibernate, summer and winter.
Helen Meigs won an Oscar for a dress she designed.
Creating gowns for movies is Helen's line.
Cleve Porter's name will make headlines soon.
He just fired a rocket that will land on the moon.
The hospital staff received quite a shock
When nurse Evelyn Gough married the doc.
Billy Haynes is a highway engineer.
He designed a freeway from Seattle to here.
Since James Estes is a great big man,
He has been hired for TV to play Cheyenne.
Contact lenses are sweeping the nation.
Modeling them is Ann Risher's occupation.
Martha Grace Hardy models them too.
You'll want to buy them, if for just a better view.
Dick Morthland has his father to thank;
He began at the top and now owns People's Bank.
Sally Langston's job is a rewarding one.
She's a vet's assistant, and her work is well-done.
Chris Nichol's team will win them all,
Now that he's playing big league ball.
Barbara Osburn's job is a thrilling one.
Taming wild horses is her idea of fun.
Engineer Doug Morrow is quite a guy.
He designs great buildings that scrape the sky.
The owner of the Hotel Albert
Has for a secretary, Miss Ann Halbert.
Curtis Rushing, I might mention,
Finished school and got his Old Age Pension.
Jackie Paschal leads a healthy life.
She is, of course, a doctor's wife.
Mr. Clyde Pressley, an amiable fellow,
Gives money freely (He's a bank teller!).
Miss Marilyn Fowler is doing fine.

HISTORY OF THE CLASS OF 1959

It has been said that "History is but a page." Therefore, let us turn back and read the page of history written by the class of 1959.

In the first paragraph, we find the account of our entrance into Parrish High School. Under the leadership of the sophomore class officers, Rufus Craig, Gerry Purvis, and Bobbie Hill, we ventured to find our place in the new world of which we were seemingly a small and insignificant part. Jo Ann Chandler received the National Honor Society Sophomore Award. We soon faced the fact that our class would be responsible for a Junior-Senior Prom, so we pushed off to an early start by sponsoring a movie as our first money-making project.

Lynn Palmer, Hazel Wilkinson, and Patricia Allen, President, Vice-President, and Secretary-Treasurer of the Junior Class, respectively, were instrumental in writing the second paragraph of our history. They faced the serious task of having the best Junior-Senior Prom ever given at Parrish High. After we had carried out many projects and spent much effort, the time for the prom came. We used the theme of "Sayonara" and it was carried out elaborately. The prom proved to be all that the aspiring class had hoped for.

Scanning the third paragraph of our page, we read of the endeavors of a wiser, more serious group which is now approaching its end as a class. The Senior year of the class of '59 was filled with events which marked a milestone in a history of Parrish High School and Selma. The dream of having a foreign student, selected by the American Field Service, was realized by the presence of Ulla Bengtsson from Sweden. Only one other school in Alabama could claim this distinction, and the Student Council, under the leadership of Ed Galt, felt proud that it had been a dominant force in this endeavor. Mabel Shuptrine brought honor to our class and school by being selected Selma, and later State, D. A. R. Good Citizenship Girl. George Voltz, Troup Brazelton, and Eloise Meadows, as Senior Class officers spurred our class on to surpass our goal of $9,000 of the magazine sale to an unprecedented $10,398.05.

We have now reached the end of our history as a class at Parrish High School, but this will be only the preface to the pages that we, as individuals, are yet to write.

TO PARRISH HIGH

Parrish High, we'll not forget her
In the years that lie ahead.
From the first day that we met her,
Oh what wonderful lives we've led.
The football games and dances,
The serious romances,
The studies that kept us awake till dawn,
And the friendships that we've made
Though we hope they'll naver fade
We will miss them when we've gone.
So a toast to the past, a toast to the future,
And let there be no sorrow.
For remember when the sun goes down
It returns with a bright tomorrow.

Dear Patsy,

I could not possibly have managed without you this year! You'll never know how much you have helped me (and not only with transcripts) and I can't bear to think of how much I'll miss you next year. Even if you had not done anything it would have been (and definitely is) a real pleasure having you as one of my girls — sorry your first two years here were wasted!

May all the happiness and success in life be yours in the years to come.

I love you,

Bernice

P.S. - Seems like I should have known you forever as your daddy is one of the first people I remember and I think he had to "put up" with me for hours and hours!
